## Use of Videoing and Photography Policy and Procedures

*CSNICC has adopted this policy in relation to the use of images of cricketers on its website and Social Media feeds as there have been concerns about the risks posed directly and indirectly to children and young people through the use of photographs on sports websites and other publications.*

### Rules to guide the use of photography:

- If a cricketer is named, avoid using their photograph
- If a photograph is used, avoid naming the cricketer
- If over 18, ask for the cricketer's permission to use their image. This ensures that they are aware of the way the image is to be used to represent the sport.
- If under 18, ask for parental permission to use their image. This ensures that they are aware of the way the image is to be used to represent the sport. (See player registration/consent form)

Amateur photographers / film / video operators wishing to record an event or practice session should seek accreditation with the leader of session.

When commissioning professional photographers or inviting the press to an activity or event, CSNICC will aim to ensure that they are clear about our expectations of them in relation to child protection. Professional photographers / film / video operators wishing to record an event or practice session should seek accreditation with the event organiser by producing their professional identification for the details to be recorded.

### CSNICC will then:

- Provide a clear brief about what is considered appropriate in terms of content and behaviour.
- Issue the photographer with identification, which must be worn at all times.
- Keep a record of accreditations.
- Not allow unsupervised access to athletes or one to one photo sessions at events.
- Not approve / allow photo sessions outside the events or at a player's home.

### Videoing as a Coaching Aid:

Video equipment can be used as a legitimate coaching aid. However, permission should first be obtained from the player and the player's parent / guardian. Anyone concerned about any photography or videoing taking place at vents or training sessions can contact CSNICC Child Welfare Officer (contact details can be found on the CSNICC website) and ask them to deal with the matter.
